Features

- Simplified controls for casual players.
- Simple to pick up and enjoy, with clean and challenging gameplay.
- Fast-paced gameplay.
- Retro-style pixel art resembling old games and evoking nostalgia.
- Play with your friends in different game modes (*Steam Remote Play Together*).
- Teams and tournaments editor. Share your creations with the community!

Genre

Sports, Soccer/Football, Arcade, Casual, Family/Party game. Retro Game.

Platforms

- Steam.
- Switch (coming soon).
- All platforms will be supported in the future.

Target Customer

People who enjoyed NES/80's computer games or want to jump quickly into a soccer game match. Although it is a soccer game, it is not intended only for soccer fans, or hardcore soccer gamers (the ones that play FIFA, PES, etc.).

Player Motivation

The player is driven by their desire to compete and beat the machine or a friend, win championships, participate in party tournaments with friends, and be the best player ever! !

Competition

Any other casual soccer game or arcade retro-style game.

The game does not intend to compete with a simulation soccer game or soccer managers. It is more agile and more fun!

Unique Selling Points

- The best retro arcade-style Soccer game.
- Not many games like this one on the market.
- Replayability through game modes with gameplay and an art style that doesn't get old over time. The game has a long life cycle (with the team editor, career mode, cooperative mode, and party mode, the game has many hours of gameplay to offer).

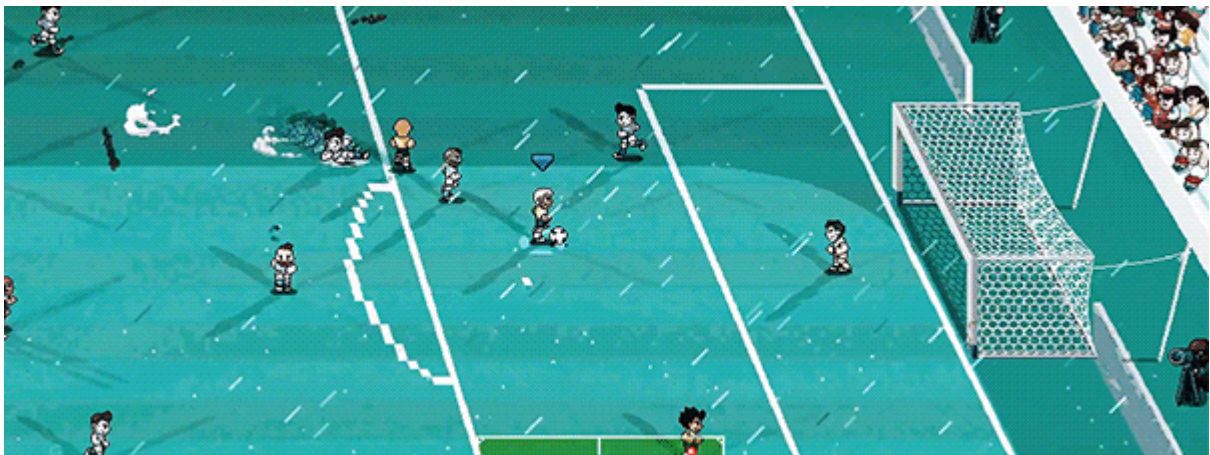

Overview

Pixel Cup Soccer is a casual retro-style soccer game, a great evolution from the previous edition. It's dynamic, arcade, with fast-paced gameplay, just the fun part of soccer! The game has great pixel art graphics like the games from the 80s and 90s, evoking nostalgia.

Move, pass, and shoot the ball to victory! You will learn to play in one minute, but it takes much longer to master it. The simple controls enable a rich set of features such as passing, shooting, tackling, sprinting, dribbling, etc.

Play single-player (player VS computer) or local multiplayer (player VS player). Play local multiplayer with your friends. With remote play together, you can play online with your friends in competitive or cooperative modes.

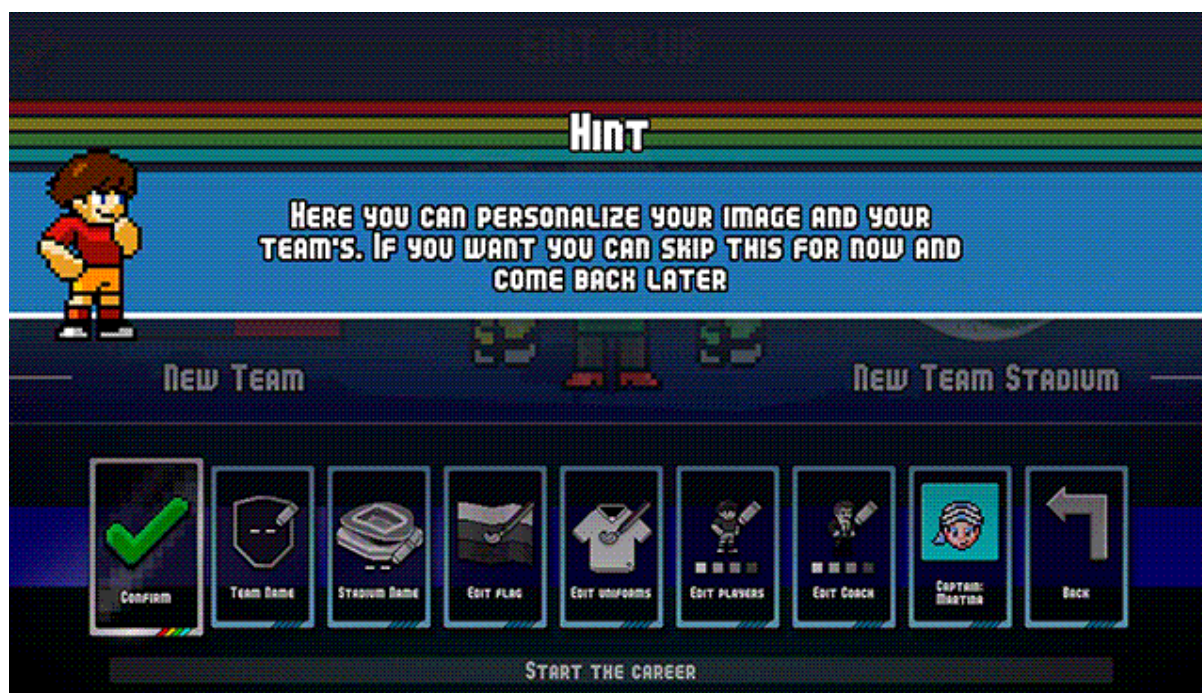

Play Modes:

- Friendly Match
- Tournaments
- Career Mode
- Penalty Kicks
- Cooperative/Competitive. Up to 8 players (4 vs. 4)
- Party Tournaments
- Steam Remote Play Together

Career Mode:

- Build your team from the ground up. Climb to the top.
- Play leagues *D*, *C*, *B*, *A*, *Country Cup*, and *International Cup* and become the Champion of the *Club Global Cup*!

- The Club's board of Directors has put you in charge of the important decisions! You will be the General Manager and Coach.

- The teams can be fully customized (name, players, shirt colors, club flag, etc.)

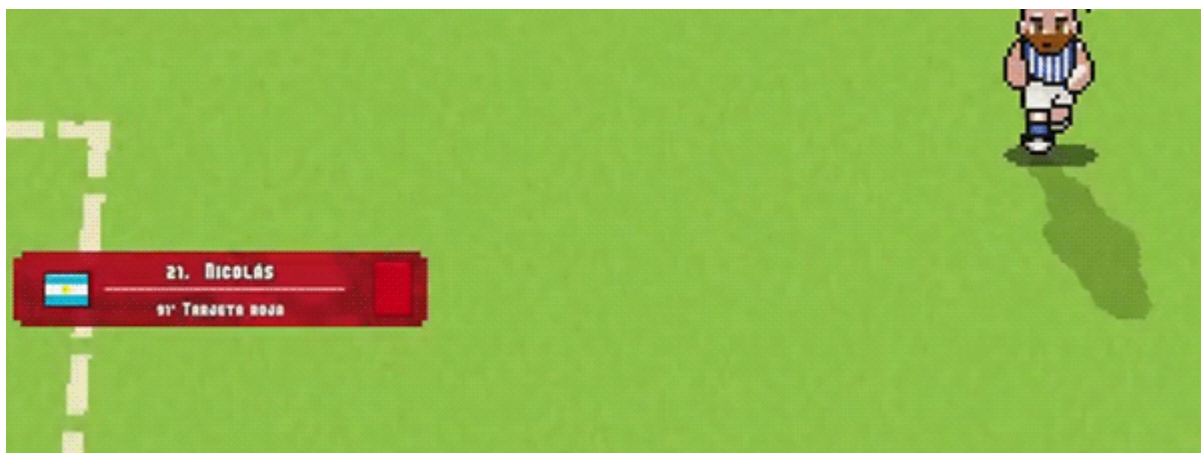

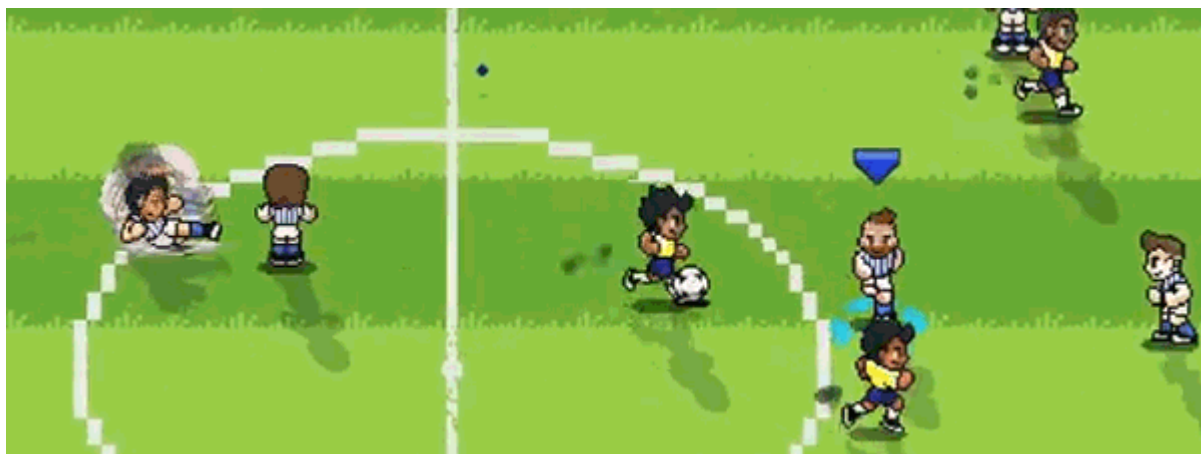

Competitions:

- Global Cup
- American Cup
- European Cup
- Women's Global Cup
- Global Cup 1930 (evoking the first World Cup of 1930)
- OlymPixel Cup (men and women)
- Liberty Cup
- Euro Champ Cup
- Pixel League A, B, C, D
- Pixel Tournament
- Infinite teams and Tournaments to download through *Steam Workshop*.

Main Features:

- Simplified controls for casual players.
- Easy to pick up and enjoy, with clean and challenging gameplay.
- Retro-style art resembling old games and evoking nostalgia.
- Women's Soccer.
- Penalties, Free Kicks.
- Fouls, injuries, yellow and red cards.

- Tactical and Strategy panels, to manage player substitutions, team formation, and attitude.
- Deep gameplay mechanics: short pass, through pass, lob pass, aiming when shooting, controlled shots, player skills, super shots, etc.
- Lots of Animations (overhead kick, scorpion kick, scissor kick, diving header, etc.)

- Challenging AI. Teams with very different playing styles (ie: Catenaccio like Italy or Tiki-Taka like Brasil).
- Many game settings, including Zoom Level, VSync, Slow motion, Assisted mode, Language Selection, etc.

Thanks!
